Summary

A flash fic. Fan prequel to the video game's events.

Misa and Suzuka, best friends and Blade Templars, go shopping together.

- A translation of [Meilleures amies](#) by [MiaQc](#)

I am waiting for Suzuka after school. Suzuka promised to go shopping with me after school. As soon as I see her, I wave to her.

"Suzuka, this way."

Suzuka joins me and we go shopping. While my best friend looks at clothes, I look at fashion jewelry. A barrette with a blue butterfly catches my attention. *I take it.*

"Hey, Misa." Suzuka calls me. "Come see what I found."

I go to Suzuka. My best friend shows me a white top with black pants decorated with red flowers.

"I'm thinking of buying it. Did you find something to your liking in the jewelry?"

"Yes," I reply, showing Suzuka the barrette.

"A blue butterfly, huh? It symbolizes the passage of time, change, transformation."

"Wow, I didn't know that. You know a lot of things, Suzuka."

"Well, it's nothing. Really. I just read a lot of books."

We pay for our purchases and go home. I remember that day very well. It was 3 days before Suzuka took the Demon Blade. *Oh Suzuka. Why did you do that?*
